OBJECTIVE

As an employee, I am committed to contributing to the growth and success of the company by implementing meaningful improvements and embracing opportunities for development. I view this opportunity as a significant step in my career, allowing me to enhance my skills and professional expertise. I am dedicated to working diligently toward the organization's objectives and aligning my personal growth with the company's progress. My focus remains on delivering results, fostering collaboration, and driving continuous improvement.

SUMMARY

Dynamic professional with over a year of experience in customer-facing roles, including sales and service in a Dell Showroom. Currently excelling as a Document Verification in the BPO sector, ensuring accuracy and compliance. Skilled in customer interaction, problem-solving, and operational efficiency. Demonstrates adaptability and a commitment to quality service delivery. Aims to leverage diverse experience to contribute to organizational success.

WORK EXPERIENCE

DesiCrew Solutions Private Limited

- **Employment Tenure:** Sep 2024 – Present
- **Designation:** Production Management and Document Verification

PROJECT

Project: HDFC Scrutiny

Role: Production Management and Document Verification

Description:
I manage production and ensure that documents are accurately verified. I review financial documents, such as loan applications, to make sure they meet company standards. I work with teams to ensure smooth operations, resolve issues, and maintain proper document storage. My role helps ensure all documents are processed efficiently and accurately.

For Production Management Document Verification in BPO:

- Expertise in reviewing and validating documents to ensure compliance with company policies.
- Strong attention to detail and accuracy in handling sensitive and critical information.
- Skilled in meeting deadlines and maintaining quality in a high-volume environment.

- Proficient in using various tools and systems for document management and verification.
- Excellent organizational and time-management skills to prioritize tasks effectively.

TECHNICAL SKILLS & RESPONSIBILITIES

- **Data Entry Tools:** Expertise in MS Office Suite (Excel, Word) and other data entry platforms for accurate information processing.
- **Verification Tools:** Familiarity with tools and platforms used for authentication and validation of documents.
- **Compliance Knowledge**: Understanding of regulatory requirements and compliance standards in document handling.
- **Scanning and Imaging Technology:** Experience in operating scanners and other imaging tools for digitizing physical documents.
- **Quality Assurance Processes:** Proficient in performing quality checks to ensure accuracy and consistency.

SRS - Dell Exclusive Store

- **Employment Tenure:** 25th March 2022 to 31st March 2023

- **Designation:** Sales and Service Executive

- **Description:**
  In my role at the Dell showroom, I assisted customers in choosing the right products and provided product demonstrations to explain features and benefits. I handled sales transactions efficiently and offered after-sales support, including product setup and troubleshooting. I resolved hardware and software issues to ensure customer satisfaction. Additionally, I managed inventory to maintain product availability. My focus was on delivering excellent customer service and building strong relationships for repeat business.

For Dell Showroom Sales and Service:

- Proficient in identifying customer needs and providing tailored solutions to drive sales.
- Experience in troubleshooting and resolving technical issues to ensure customer satisfaction.
- Skilled in maintaining product knowledge and delivering product demonstrations effectively.
- Proven ability to handle high-pressure situations while meeting sales and service targets.
- Strong communication and interpersonal skills to build lasting customer relationships.

TECHNICAL SKILLS & RESPONSIBILITIES

- **Product Knowledge:** Understanding of Dell products like laptops and desktops.
- **Troubleshooting:** Ability to fix hardware and software issues with Dell devices.
- **Operating Systems:** Knowledge of Windows and Linux for troubleshooting.
- **Customer Support:** Experience using support platforms to manage customer service requests.
- **Sales Support:** Help customers choose the right Dell products.
- **Product Demonstrations:** Show customers how Dell products work and their features.
- **Customer Relationships:** Build strong customer relationships for repeat business.
- **Product Setup:** Assist customers with setting up and installing their Dell products.

DECLARATION

I do hereby declare that the particulars of information and facts stated herein and above are true, correct and complete to the best of my knowledge and belief.

Sincerely
BALAJI M
