Research and Data Enthusiast with strong presentation and interpersonal skills. Completed Post Graduation Programme in Data Science and Business Analytics. Seeking for a challenging role in an organization that offer opportunities to utilize my skills for professional growth in the field of data science and to join immediately to prove myself.

G.BHARATHA SREEJA

E-Mail:
bharathasreejadinesh@gmail.com

Key Skills

- Artificial Intelligence
- Deep Learning
- Machine Learning
- Image Enhancement
- Segmentation
- Classification
- Image Processing
- Python for Data Science
- Matlab
- Predictive Modelling
- Time Series Forecasting
- Data Mining
- Advanced Statistics
- Statistical Methods for decision making

Languages

- English, Tamil, Telugu

Personal details

Current Location : Tuticorin
Date of Birth : 12.12.1989

Experience

Guires pvt.ltd, Chennai — **3rd June 2024 to till now**
AI ML Research Engineer

Digisailor, Tuticorin — **1st May 2023 to June 2024**
Project Engineer

RMKCET,Chennai — **14th June 2019 to 8th July 2022**
Project Coordinator

RIET, Andhra Pradesh
Project Coordinator — **1stJune 2018 to 30th May 2019**

PETEC, Tirunelveli — **1st July 2013 to 28th May 2018**
Assistant Professor

SNSCE, Coimbatore — **10th July 2012 to 30th June 2013**
Assistant Professor

Education

- **Ph.D** – Anna University – AI&ML based Medical Image Processing using, January 2021.
- **Post Graduate Programme –** Data Science and Business Analytics, Great Lakes and The University of Texas at Austin, McCombs School of Business, April 2022 – April 2023.
- **M.E – Communication Systems**
  Cape Institute of Technology – Anna University
  2010-2012, 8.96 CGPA,
- **B.E – Electronics and Communication Engineering**
  Cape Institute of Technology – Anna University
  2006-2010, 85.4%

Achievements

- Received "**RASTRAPATHI AWARD"** from **Dr.A.P.J.Abdul Kalam**, Former President of India.
- Received **"RAJYAPURASKAR AWARD"** from **Mr. Surjit Singh Barnala**, Former Governer of Tamil Nadu.

PROJECTS

- Augmentation to Multi-Feature Fusion: Optimizing Deep Learning for Breast Cancer Detection Using DBT
  Skills and Tools: Deep Learning, CNN, Inception, Inception V3, EfficientNet, Augmentation, Python
- Dehazing on real time images and indoor outdoor image datasets
  Skills and Tools: CNN, SCFSM, Augmentation, Python
- Leveraging Deep Learning and Multi-Feature Approaches for Improved Breast Cancer Detection in Clinical and Mammographic Imaging
  Skills and Tools: Feature extraction, Feature Fusion, Resnet V2, Xception, Image Processing, Python
- Detection of signature based forgeries using Artificial Neural Network
  Skills and Tools: Matlab, Artificial Intelligence
- Analysis of blur removal using blind deconvolution and Non blind deconvolution
  Skills and Tools: Enhancement algorithms, Matlab
- Performance comparison of various noisy audio signals analysis using different sampling rates
  Skills and Tools: Signal processing, Matlab
- Indian paper currency recognition using weighted euclidean distance
  Skills and Tools: Neural Network, Image processing, Matlab
- Noise reduction methodology for audio and speech signal
  Skills and Tools: Digital signal processing, Matlatb
- Identification of breast tumours by wavelet based adaptive windowing technique with statistical features using back propagation network
  Skills and Tools: Wavlet transform, GLCM, Artificial intelligence
- EEG signal compression using wavelet based arithmetic coding
  Skills and Tools: Medical signal processing, Matlab
- ANN based tumor identification using wavelet based adaptive windowing method with GLCM statistical features
  Skills and Tools: Segmentation, Back propagation Neural Network
- AES based stegnography
  Skills and Tools: Matlab, Encryption algorithms
- Election Analysis
  Skills and Tools: Logistic Regression, LDA, KNN, Naïve Bayes Model, Tuning, Bagging and Boosting
- Bank Customer Segmentation and Insurance Claim Prediction
  Skills and Tools: Clustering, CART, Random Forest, Artificial Neural Network
- Gems & Holiday Package Prediction
  Skills and Tools: Linear Regression, Logistic Regression, Linear discriminant Analysis
- Salary Analysis using ANOVA and Principal Component Analysis on College Admissions Data
  Skills and Tools: ANOVA, EDA, PCA
- Statistical & Probabilistic Analysis of Store Sales, University Survey, & Manufacturing data
  Skills and Tools: Descriptive Statistics, Probability, Estimation, Hypothesis Testing
- Estate Wines Analysis
  Skills and Tools: Exponential smoothing, Statistical tests, ARIMA/SARIMA

PAPERS/BOOKS PUBLISHED

Number of Papers published in International Journals : 38
