Swarna Manikyambika Bandaru

swarnabandaru0619@gmail.com +91 9014007909 Nehrunagar, Guntur, Andhra Pradesh, India

CAREER OBJECTIVE

To secure a responsible career opportunity in the organization and effectively utilize, enhance my knowledge, learning and skills in the sector, while making a significant contribution to the reputation of the organization.

PROFESSIONAL EXPERIENCE

10/2024 – 03/2025 **SoftLogic Systems** Chennai, India
DATA SCIENCE(Internship)

EDUCATION

2020 – 2024 **B-Tech (CSE)** Guntur, India
Kallam Haranadha Reddy Institute of Technology
(8.5 CGPA)

SKILLS

Languages: Python, Core Python ,SQL

Technologies: Machine Learning, Deep Learning, Natural Language Processing, Gen AI
Large Language Model, Computer Vision

Software Tools: MS Excel, Jupyter Notebook, Tensor Flow, Scikit-learn, Colab

PROJECTS

Online Fraud Detection

- Developed a machine learning-based system for detecting fraudulent credit card transactions in real-time. The project involved data collection, preprocessing, model development, and deployment.
- Collected and preprocessed large datasets of credit card transactions.
- Implemented various machine learning algorithms including logistic regression and decision trees.

Technologies used: Python, Pandas, Numpy, Machine Learning

IoT Rover

- Developed an automated irrigation system using IoT sensors and a mobile rover for efficient water management in agriculture.
- Integrated soil moisture sensors for real-time monitoring and automated water pump control.
- Utilized a rover to position the system across different farm sections.
- Programmed in Embedded C for sensor data processing and control logic.
- Employed Arduino for core system implementation and connectivity.

Technologies Used: IoT sensors, Embedded C, Arduino, mobile rover.

CERTIFICATES

• Certified by **IBM** for completing a onsite course in “Data Science”.

• Certified by Code Tantra for completing a online course "Python Fundamentals".

• Certified by SimpliLearn for completing a online course "Core Python ".

• Certified by Great Learning for completing a online course "Machine Learning".

• Certified by Intellipaat for completing a online course “Deep Learning".

• NSS volunteer: Participated in the Special Camp at Challavaripalem from 27-01-2021 to 02-02-2021 on the theme Healthy Youth - Healthy Society.

DECLARATION

I hereby declare the information furnished above is true to the best of my knowledge.
